² Clinic districts for the year 2010.

³ Preliminary 2010 Census

Health District (Family Islands): The island of residence and the area served by the resident Medical Officer

Health Centres/Poly Clinics: Health facility with resident Medical Officer and Nursing Staff; consists of overnight beds for patients and delivery facility; offers ambulatory care, x-ray services, specialized care, and maternal and child health care.

Main Clinics: Health Facility with resident/visiting Medical Officer, consists of resident nurse and no overnight bed facility; offers maternal and child health services and minimal emergency care.

Satellite Clinics: Small facility for visiting medical and nursing staff (weekly, bi-monthly, or monthly visits); clinics are usually in a remote area.

N.B. No resident Doctor/Nurse or overnight facilities in the New Providence Clinics.

¹Clinic districts for the year 2010.

²Preliminary 2010 Census

Health District (Family Islands): The island of residence and the area served by the resident Medical Officer

Health Centres/Poly Clinics: Health facility with resident Medical Officer and Nursing Staff; consists of overnight beds for patients and delivery facility;

offers ambulatory care, x-ray services, specialized care, and maternal and child health care.

Main Clinics: Health Facility with resident/visiting Medical Officer, consists of resident nurse and no overnight bed facility; offers maternal and child health services and minimal emergency care.

Satellite Clinics: Small facility for visiting medical and nursing staff (weekly, bi-monthly, or monthly visits); clinics are usually in a remote area.

N.B. No resident Doctor/Nurse or overnight facilities in the New Providence Clinics.
